

REMARKS

Applicants respectfully request favorable reconsideration of this application, as amended. Claims 1, 2, 4-14, 16, 18, 20, 22, 23, 25, 27-29, 31-33, 35, 37-39, 41, 42, 44-49, 51-53, and 55-64 are currently pending. By this amendment, Claims 17, 19, 21, 24, 26, 30, 34, 36, 40, 43, 50 and 54 have been canceled, Claims 7-10, 42, 44-49, 51 and 52 have been amended to define expressions as required by the Office Action. Therefore, Applicants believe the § 112, second paragraph, rejections from the Office Action dated May 15, 2008 are overcome by the amendments and respectfully request that a Notice of Allowance to that effect be issued.

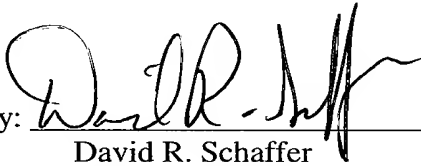

Applicants would like to renew their Request to Withdraw Final Rejection filed on August 15, 2008, but not yet acted upon. Applicants assert that the current Final Rejection is improper and should be withdrawn. Upon checking PAIR, Applicants note the May 15, 2008 Office Action is listed as a "Non-Final Rejection" (see Appendix A, IFW printout), but the document identified as being Non-Final is actually a Final Rejection (see Office Action, Appendix B). Also, please note on August 15, 2008 an entry for a Miscellaneous Incoming Letter (see Appendix C), which is a copy of Applicant's Request to Withdraw the Final Rejection. To date, no response has been sent or received.

Regardless, in order to preserve their rights Applicants are filing this response and a Notice of Appeal. Applicants request that the Examiner immediately withdraw the finality of the Rejection. Attached hereto also please find a Request for Refund of the Notice of Appeal Fee, which was filed to preserve the Applicants' rights, but is not believed to be correctly so.

Should the Examiner believe that any further action is necessary to place this application in better form for allowance, the Examiner is invited to contact Applicants' representative at the telephone number listed below.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (T3386-906538) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,

DETAILED ACTION

1. This action is response to communications: application, filed on 11/07/2000; amendment filed 02/11/2008. Claims 1-2, 4-14, 16-64 are pending; claims 1, 6, 12-14, 16-27, 62-64 are amended; claims 3, 15, 65 are canceled.

Claim Objections

2. Claims 17, 19, 21, 24, 26, 30, 34, 36, 40 and 54 are objected to because of the following informalities: those claims are depended on canceled independent claim 15. Appropriate corrections are required.

Claim rejections-35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 9-10 and 42-52 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 9 and 42-48:

Applicant fails to provide clear definitions for the follow expressions (i.e. C1(I), C2(I), Cn(i); I1-0(i).I2-0(i)... In-0(i)). Without disclosures of definitions for those expressions, how would one of ordinary skill in the art determine functionalities for those expressions. The appropriate corrections are required.

Regarding claims 10 and 49-52:

Applicant fails to provide clear definitions for the follow expressions (i.e. i; p; Jp(i); Jp; Cp(i); Ik; I1.I2; Ik_0(i)). Without disclosures of definitions for those expressions, how would one of ordinary skill in the art determine functionalities for those expressions. The appropriate corrections are required.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

REQUEST TO WITHDRAW FINAL REJECTION

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In regards to the Finality of the Office Action of May 15, 2008, the Applicant respectfully requests that it be withdrawn and reissued as a Non-Final Office Action. Applicant believes that it was improper to issue the Office Action as a Final Action, because, contrary to the Examiner's assertion on page 3 of the Office Action, the Section 112, second paragraph, grounds for rejection of Claims 9, 10 and 42-52 were not necessitated by Applicant's February 11, 2008 amendment. Quite to the contrary, no amendments were made to Claims 9, 10 and 42-52, the expressions objected to in the claims were in the originally presented claims, and this is the first time any rejection or objection to the expressions has been issued by the Examiner. Therefore, because the

expressions were not just presented in the previous amendment, they can not validly be used by the Examiner to make the current Office Action final. Additionally, the Examiner has failed to provide detailed reasons for why all of the claims in the application are now rejected. This is especially confusing, because in the prior Office Action, the Examiner had indicated that Claims 1, 12, 13 and 62 would be allowable if rewritten as proposed, which was done in Applicant's February 11, 2008 Amendment. However, the outstanding Office Action lists all of the claims as being rejected on page 2, but no details are provided in the Detailed Action section for Claims 1, 2, 4-8, 11-14, 16-41, and 53-64, which should be allowed.

Applicant's undersigned representative had several telephone calls with the Examiner beginning on April 21, 2008 to discuss the claims and the need to cancel Claims 17, 19, 21, 24, 26, 30, 34, 36, 40, 43, 50 and 54, because they all ultimately depend from now canceled Claim 15 and that definitions for variables in at least Claims 9 and 10 were needed. Please note that Claims 43 and 50 of Applicant's list are in addition to those noted by the Examiner, but also need to be canceled as both ultimately depend from canceled Claim 15. On April 22, 2008, Applicant's undersigned representative called the Examiner and, per the prior calls with the Examiner, left a voicemail message authorizing the Examiner to issue an Examiner's Amendment to cancel Claims 17, 19, 21, 24, 26, 30, 34, 36, 40, 43, 50 and 54, to enable the application to pass to allowance.

On May 5, 2008, to make sure the Examiner's request for additional definition was clearly understood, Applicant's representative called the Examiner and again left a message asking the Examiner to issue a NON-Final Office Action specifically explaining which variables needed to be and how they needed to be defined. Unfortunately, this was not done and the outstanding Final Office Action was issued on May 15, 2008.

On August 15, 2008, Applicant's representative called and spoke with the Examiner about withdrawing the Finality of the Office Action and the Examiner requested Applicant submit a written request to that effect. Therefore, this request is being submitted pursuant to that request.

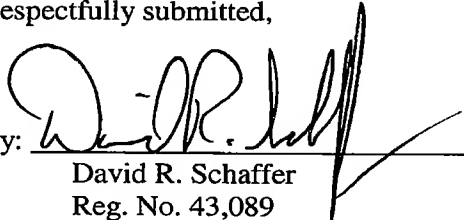

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (T3386-906538) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.
